Grandparents’ and Grandfriends’ day

On Wednesday May 25 we had another successful Junior School Grandparents’ and Grandfriends’ day with over 400 visitors. The students loved showing their guests their work around the school and many were involved in fun activities in the classroom like family trees, tower challenge, making photo frames, talks about their childhood and dancing.

A highlight was each class doing a musical performance for their visitors, either singing, playing musical instruments or the Year 6 African Drumming.

The morning ended with a tasty morning tea and a catch up with many friends from the past.
