Kaleidoscope 2012

Kaleidoscope is a Term 2 concert in which the Middle School Music Ensembles have the opportunity to perform to family, friends and peers.

At this time of year a number of students, being new to the School, are also new to our Music Ensembles, so, for them, it was their first time performing not only in a new ensemble but also in a new venue, the Dorothy Yates Hall.

A variable range of music was on offer, from the Concert Band, Orchestra and Saxophone Ensembles to our Drum Corp and Percussion Ensemble.

It was also an opportunity for our Senior musicians in the Big Band to mentor the younger players, and offer them a glimpse of where their continued music making may take them as they journey into the Senior School.
