This year we are offering a series of Parent Workshops, focusing on children’s socio-emotional development and well-being. Everyone is welcome, please feel free to contact Marisa Frangos or the Junior School Office on 8366 6259.

Parent Workshop One

**Positive Support for Children's Behaviour**

**WEDNESDAY FEBRUARY 29 – WEEK 5**

**ACTIVITY ROOM**

**8.45 – 10.45 am**

**Outline of session –**

8.45–9.00 am  The Positive Behaviour Support Model at Pembroke JS

Introduction by the School’s Leadership Team.

9.00–10.45 am GUEST SPEAKER – Presentation & Discussion

**MADHAVI NAWANA PARKER**

As well as being a mother of two children, Madhavi is a highly qualified and experienced Behavioural Consultant specializing in children’s social development and positive behaviour management techniques. Madhavi is a wonderfully engaging speaker and we look forward to you joining us as she shares her wealth of knowledge in terms of behaviour management principles which are proactive and supportive of children’s needs.

If you have any queries or wish to register for this workshop please contact  **Marisa Frangos, Junior School Counsellor** mfrangos@pembroke.sa.edu.au

Jaimie Holland  
Dean of Student Welfare

Parent Workshop Two

**Developing Your Child's Resilience**

**TUESDAY MARCH 13 – WEEK 7**

**ACTIVITY ROOM**

**1.30 – 3.00 pm**

**GUEST SPEAKER – TIM BRENTON**

A wonderfully enthusiastic and skilled presenter, Tim Brenton, is a Senior Consultant for the Rock and Water programme in South Australia.

The Rock and Water Program is a resilience building course for young people based on a psycho-physical approach. The skills taught develop an awareness of the body, the emotions and the self, so that children learn to identify, understand and regulate emotional responses such as stress or anger.

In this interactive workshop parents will be given a range of practical and highly valuable strategies to reinforce these life long skills at home.

Tim is currently facilitating this most engaging programme as part of our Year 5 Personal Development / Social Skills curriculum with very successful outcomes for our students.

We extend a warm invitation to all parents, especially those with children in Year 5 and particularly those new to our community to join us for this very informative workshop.

If you have any queries or wish to register for this workshop please contact  **Marisa Frangos, Junior School Counsellor** mfrangos@pembroke.sa.edu.au
