**Drive Tennis**

It was a fantastic first term for the Drive Tennis team. The Captain and Vice Captain, Eddie and Paddy, set the tone for each match by leading warm-up runs around Adelaide Oval 2. The team was coached by old scholar Nat Weber, who worked well with the boys to further develop their skills through weekly training sessions, even on Monday mornings before school! The team were successful in winning all but two of their matches for the season, including victories over St Peter’s, Sacred Heart, Immanuel and St Ignatius Colleges. A great effort was made by all to keep calm in nail-biting and sometimes frustrating situations. The team endured some blistering heat, along with the occasional storm, but neither of these conditions deterred them—all players made significant contributions to the team no matter what the situation.
